EMPOWERING PROGRESS

MANAGEMENT TRAINING PROGRAM

LEADERSHIP. TEAMWORK. FAMILY.

HANDS-ON EXPERIENCE WHILE EARNING COMPETITIVE PAY AND BENEFITS

This one-year management training program includes:

- Job rotations in departments like Construction Equipment, Service, Rental Sales, Parts Warehouse, Marketing, and more
- A variety of opportunities like providing input on improvement projects, strategic planning, hands-on support, and presenting to leadership
- One-on-one mentorship from company leaders who guide you each step of the way and help you learn how to:
 - » Serve customers with excellence
 - » Attract, hire, manage, and evaluate employees
 - » Achieve and report on performance and safety goals
 - » Navigate team financials, budgets, and operational performance

OUR GOAL IS TO PLACE YOU INTO A FULL-TIME LEADERSHIP ROLE, PERFECT FOR YOU AT THE END OF YOUR TRAINING

THIS PROGRAM IS A GREAT NEXT STEP FOR YOUR CAREER IF YOU:

- Are excited at the prospect of learning to lead
- Enjoy working with a variety of people
- Have strong written and verbal communication skills
- Are a curious learner and self-starter
- Enjoy a fast pace and can meet deadlines
- Like construction, automotive, ag equipment, or business management
